**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who is concerned about the lack of ISP's available to choose from where I live. Until last year, I had only two choices, Comcast or At&T. I switched to Sonic last year because Comcast kept increasing their prices and had poor customer service. Now that there is more competition, the other two ISP's have decreased their prices to be more attractive. Competition forces companies to offer lower prices and better service to consumers. Please promote policies that encourage competition. Thank you.
