**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I only had the choice of ATT for my phone until explored internet providers and discovered LMI.net. I enjoy having a local company that is responsive and does not subject me to long winded voice recordings when I call for service or to ask a question. I believe in supporting local small businesses and do not want to be restricted to one provider who has a monopoly on providing a service that all individuals need in order to be part of this modern technology.
