**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family is just about to be connected with a high speed fiber service from a local ISP here in Northern California, and we are looking forward to the improved service very much.

But, with access to unbundled network elements being threatened by larger organizations such as AT&T, it puts our access to this great service at risk.

Please SAY NO to policies that will restrict access to this infrastructure & increase costs to homeowners, schools and businesses.
