47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow Sonic to build its own internet infrastructure so we can keep our rates low thank you!

I don't want to be stuck with limited choices so they can raise my rate for any reason we as consumers should have the right to choose and more to choose from! I don't want higher hikes in my Internet bill or my phone service.
