**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family and I have recently switched to Sonic as our internet provider. We were fed up with the way that large corporations treat their customers (choking data, price hikes, etc.) Now that we have switched to a competitive provider, our internet speed is much faster and far more reliable. Companies like AT&T and Verizon have been doing despicable things, the choked data of the firefighters in Mendocino being the most recent, and I do not want them to be our only option.

In short, screw big internet providers and save Bridge 2 Broadband.
