**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

NO to price hikes that will increase the cost of internet and telephone services. Communications costs are already high as we do not need ATT or others to add to the increase. Broadband is critical to us for banking, research and school research for my children.

I had DSL and Comcast before. But both do not provide service like Sonic does. Also, they basically charge high price for lower speed. They bundle with other stuffs that I do not need. We need competitive to these two monopoly vendors.

Thanks
