47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We like fiber Gigabit. We don't like price hikes. Broadband is critical to my home, business. We had DSL before now we have fiber. Broadband providers are so critical.

I am a customer support broadband competition. No to price hike that will increases the cost of any internet and telephone services.
