**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It's absurd that living in SF I only had a single choice in ISP - Comcast, until I recently moved, and now have superb service from Sonic. It's 4x faster, and even cheaper - competition matters. Other countries have way more options and much lesser rates as a result of allowing competition. Why should the US suffer because of the monopolies that have been entrenched?
