**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

No thank you, Ajit. Sonic is critical competition in what should be a much larger playing field.

Living in San Francisco, the tech hub of the globe, I should have more than two choices for my ISP, neither of which are acceptable for my needs or budget.

Sonic has been a boon for local net development. Save competition in Tech Central!
