**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A competitive market is ALWAYS better for consumers. Everyone agrees with that. Don't let a few large corporations take that away from us. In my area (SF Bay) there is not enough competition but plenty of monopoly. Don't let this happen. We all want more competition and choices. I'm a small business owner and need to stay competitive -- our broadband choices are crucial to our competitiveness. And what will happen to our rural neighbors who are already disadvantaged over limited broadband (mostly DSL!)? Internet access should be unfettered for everyone. It's only fair. Thank you.
