**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a small business owner, access to reasonably-priced, fast internet is critical to our success and ability to employ others, and competitive, small broadband providers are critical to that access. We have been poorly served by both AT&T and Comcast over the years, and have only now finally found the service and prices we need to remain competitive through a small, local provider.

PLEASE allow small providers to be competitive in a market dominated by A&T and Comcast.
