**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please support broadband competition. Our country is built on small businesses.

Internet broadband is a necessity in 2018, so it- like any utility- should be available for small businesses to use the basic infrastructure.

I use a local internet provider that is located just a few blocks away. They provide excellent, hometown service and I do not want to be forced to switch to an out-of-state multi-national corporation.

Thank you,

Jesse Townley
