**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic as my provider because they provide a superior connection speed in my San Francisco neighborhood at a highly competitive price. I previously had a DSL line, and made the upgrade to Fiber. The new technology has been a big improvement, and has future proofed my home. Their connection and pricing have allowed me to save money that would have otherwise been wasted on a lower quality product.

Thanks,

Anthony Giovannetti
