**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

I chose and implemented service from our local competitive provider, lmi.net, for service for the small business where I work. Broadband is critical for our business operations as we sell bread to retailers and consumers from our wholesale bakery.

I chose lmi.net for their low prices, excellent customer service, fast service, and availability in our area.

Please continue to allow competitive providers to use unbundled network elements, and preserve the ability of lmi.net and others to provide excellent service.

Thanks!

Jesse Marsh
