**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a happy customer of a local Internet service provider. In my experience, local companies provide better service at competitive prices. I am opposed to attempts by big telecom companies like AT&T to stifle local competition by limiting local access to broadband connectivity and/or by raising the price. I urge you to keep the market fair and open.
