**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It has been, and is a great pleasure to speak greatly about SONIC Internet. They are a company that provides great customer service and great internet speeds to folks at an extremely reasonable rates, before I made my switch to Sonic, I inquired with my previous internet provider Comcast, and their prices were outrageous and the installation rates were completely unreasonable.

It would be a great disservice to the people of California, especially to those of us who live on tight budgets, to make it more difficult for companies such as Sonic, to expand their internet service to more cities in our great state.

As a voting citizen I urge you to side with SONIC Internet, and other companies that are working so tirelessly to bring fast internet service to many of us.

Thank You
