**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am deeply opposed to the actions by USTelecom to essentially try to create a monopoly. I've had service from at&t in the past and, not only was their service poor but they repeatedly lost e-payments that they couldn't ever trace. Their reps would lie. I now have a smaller independent provider and they're wonderful. Competition is the backbone of American opportunity and the large powerful providers are holding back technological progress for the sake of rampant greed that protects their profits. SAY NO !!!!
