**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer, I am for more competition among broadband providers. This will give me more choices and better service at a better price. I do not want an ATT monopoly. I want my current provider to have access to fiber optics and offer me better speeds at competitive prices. This is only possible if they have access to critical unbundled network elements.

Thank-you.
