**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. Please vote no on AT&Ts efforts to reduce competition; our country has too many monopolies as it is (Amazon, Apple, Google, etc). Your role is to regulate, and we need regulation of communications companies, to ensure competition. Nothing is more crucial to success today than affordable internet access. Please keep competition alive and vote down AT&Ts attempt to reduce access among their competitors.
