**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Comcast is such a terrible company they had to rebrand themselves as Xfinity. AT&T has laughable products. You cannot allow these companies to stifle competition. Sonic provides a superior service at a superior price and should not be prevented from providing more of this service to more people.
