**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner in San Francisco. I rely on my broadband service to connect to my customers and suppliers. Thanks to the current rules I can use an unbundled service provider to connect my business to the world.

Neither the cable companies or AT&T ever provided the level of service I get today.

Please protect American businesses by keeping providers like Sonic in business. This framework allows American businesses to thrive.
