**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who chose another local small business for my phone and internet needs. Not only did they honor our three year contract for it's duration but they honored the price for an extra year. When I've had contracts with large companies not only did they not honor the contract and charge us more than agreed but they then lied about it when I complained.

Please keep the market competitive. I want honest small businesses to serve my needs. Please don't let large companies eliminate their small competition so they can continue to take advantage of small businesses.
