**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I use Omsoft where I can. The big companies just want to charge us more for reasonable speed; Verizon throttled communication for firefighters here in California! Broadband is crucial to schools especially; where do these companies think educated workers will come from?
