**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are a small business and have enjoyed the fruit of new competition with fiber speed. However ATT is now petitioning to take away access to critical unbundled network elements. These unbundled elements are critical last-mile copper which give us speed and lower pricing. Please do not grant ATT or US telecom that right. The telecommunication industry needs more competition not less.

Thank you,
