**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Dont want to face price hikes that will increase cost of the internet and telephone services.
Like to have more competitions other than just big companies. I have fiber today but was previously
connected with competitive DSL. I like what I am having now. I got much quicker and better
services with my internet and cheaper in price. Why do I have to stuck with only big companies.
Time for a change.
