**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choose Sonic because they were the 1st in our area to offer fiber. Also when the fiber was not completed in our area yet...they offered me an alternative option for internet. Their customer service is top notch, always are helpful and attentive. We as a family like to support local business and Sonic being from Santa Rosa we feel they are a nice little Bay Area Company with good prices. Please don't let AT&T gobble up these great companies and make them more difficult to survive...shouldn't happen.

Keep Sonic alive in our area!

Thanks,
