**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We want to have competitive small providers not giants like AT&T. We use this for broadband & phone. Dont let corporate giants monopolize the market and cut out small business competition.

There is already too little competitive choice in internet access and telecom service, and if the petition is approved, independent carriers across the country will lose access to critical network elements, and consumers could lose their choice of providers.
