**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who works as a bookkeeper/office manager at a small business. I support broadband competition. The bottom line is that competition is good for consumers and small businesses.

The recent petition submitted to the FCC by the US Telecom Association, representing AT&T and other incumbents threatens our local competitive provider, LMi.net, and all other competitive providers.

I oppose the US Telecom petition.

Thank you.
