**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I find it absolutely disgusting that AT&T and their Trade Association, USTelecom are petitioning to the FCC to take away access to critical unbundled network elements. This type of control and monopoly are completely anti American and anti Capitalism.

I hate AT&T and all of the big telecom companies and chose to get rid of them as my internet provider and go with an independent like Sonic for faster and more productive speeds. What is happening will either cause Sonic to raise their prices and as a single mother working from home - I simply cannot afford to pay more.

Please stop lining AT&T and other big telecom companies pockets. Allow Capitalism to thrive and say no to ATT's petition.
