**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I love having cheap, affordable fiber Internet! I now have fiber to the home, whereas I previously had cable Internet. The speeds and reliability with fiber are much better! And it's less expensive! Limited options for Internet mean higher prices, lower quality service, and slower speeds. Now that I have fiber, I don't ever want to subscribe to another service.
