**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We were AT&T customers since 1972 for phone and then internet. The amount of rates they are charging is daylight robbery. The speed for internet was only 50 mbps. I was paying up to end of May 2018 .. \$80 a month plus taxes.

Now with SONIC speed is 1000 mbps .. i.e 20 times faster !

Only paying \$49 a month including phone and internet.

Fiber is FUTURE. We need more competition!
