**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic is overall a a better experience than the larger corporations. Better service, price, and customer service. They don't have data overages like their customers and i believe their competitors should follow how Sonic treats their customers. I can say from experience the actual service is much better than their competitors. There are no outages and it's at a better price point.
