**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have Sonic fiber optic internet and want to keep it. In my area I had slow internet service from ATT for years but they refused to install fiber in my area after several years of it being available nearby from others.

I want to keep my sonic service by fiber lines.

Please maintain competition in internet access so there are low prices and good service.
