**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was able to get high-speed internet through Sonic. Before, the only option I had was DSL from AT&T. DSL was of very poor quality (12 technicians visited my property over a 12 months period without being able to improve it. AT&T only wanted to offer me fiber if I were to switch to one of their high-price bundle including TV. Please preserve competition!
