**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support bridge to broadband. I currently use Sonic for my broadband needs. I get a superior product at a fair price. My experience using a larger company was a much higher price and less speed/quality. I believe that competition is essential to the internet. I believe that without this, prices will skyrocket, and internet service will suffer for all Americans.
