**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Save sonic! They have been giving me great quality service at reasonable rate that all can afford.
Their customer service is truly impeccable!

I have had to deal with att and similar companies that lie and cheat their way to bleed my money
out of me in exchange for their horrible services.

Capitalism is fueled by competition which then leads to innovation. If a company doesnt keep their
promises to deliver what a customer pays for, they will get left in the dust.

Please let competition reign!
