**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not give in to the large conglomerate internet providers whose sole goal is to stifle competition and monopolize the customer base. Thus leading to worse service, both in product and customer services. Honestly if my small local service is knocked out, Im not going to sign up with one of the big two options (both of which I have used previously and neither are any good). Ill just go off the grid.

Thank you for your time.
