**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is so critical to our business and therefore we do hope that we will be able to choose out of many providers and not one or two. We hate the price hikes we get from our cable tv provider. They are a monopoly and we are helpless fighting them.

Don't do this to Broadband providers we love our local LMI net, they give us great service against reasonable rates.

Sincerely,

Michael Halderman
