**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who values high speed internet. I often work from home and enjoy the speeds I get from my provider. The recent petition by the US Telecom Association would hurt the ability of firms like my internet provider to access copper lines and connect my home to high speed fiber. This would hurt millions like me who depend on high speed internet to work and communicate. Please do not pass the petition of US Telecom, and please save affordable high speed internet.
