**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition in broadband is critical to innovation and improvements in infrastructure.

I help business connect to the internet and many of these businesses have limited choices especially for the newest fastest services.

Often it is the smallest most innovative companies that offer the best choice in broadband but these are not widely deployed.

Please ensure that the small providers continue to flourish and offer choice.

Regards,
