**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We like our competitive provider (LMI.net). they provide us with a reliable high speed service at a reasonable price. Big companies like AT&T do not have such a great service here. The broadband is critical for our small business and we hope you'll make a decision that allows our current provider to thrive and to enable our business to be successful too.
