**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Keep networks open to make internet providers competitive. Restore net neutrality and support community ownership of internet providers. We need more internet providers, not fewer--prevent ISP mergers that concentrate power in a few companies and keep prices high. Areas need more competition.
