**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family and my business supports broadband competition. We do not want to have price hikes that will increase the cost of internet and telephone services. My wife and I retired and this is very important to us. I have fiber today but were previously connected with competitive DSL and this was nightmare. The local broadband providers are so critical for whole our community.
