**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a neighborhood in San Francisco where there only about 2 internet service providers in the area and their prices are ridiculously high due to the low competition in this area. Not to mention that the customer service on their part is pretty bad too due to low competition in the area. Basically it's either them or the other company. So please for the sake of affordable broadband internet keep the prices of internet low by allowing more competition for internet service providers.
