**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please note my concerns regarding proposed change to broadband regulations. As I understand these changes would imperil the delivery of my fiber GB services through Sonic. This would force me back to my previous, far more costly (approx. 3x), and slower, non fiber, Comcast provider. Currently, Sonic allows me unlimited use while Comcast imposes a data usage cap. Such a cap limits the critical expansion of new technologies both in my home and business.
