**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Promote competition a core American value by supporting local providers in their bid to improve service and prices for all while delivering superior internet access.

Disallow price hikes that artificially increase consumer costs and stifle access, competition, and innovation.

Our home previously had paltry internet speeds that were the best offered by ATT, now we have fiber.
