**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For a healthy economy, we need more competition and less mega-corporations that control all communication channels AND content. While it may be great for the few who own these corporations, we the consumers are given less choice and freedom while being stuck with massive bills with hidden fees and absolutely no transparency or accountability.
