**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition creates quality customer service. I dont want lousy service and higher fees from att or Comcast, had them both and they have the worst customer service. Im very happy with my local gigabit fiber provider. DSL is a joke in comparison and I speak for the hundreds of other local tax payers who want a choice of isp.
