**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

ATT is not a nice corporation. They have mistreated me, abused me, as a consumer...i.e. raised the cost of internet and it was expensive. I am now saving \$\$\$ every year.

the people at my company are sooo friendly and have integrity. I do not have to wait for hours to get help when I need it, and they are always there for me.

I want the freedom of choice; to keep my landline that ATT overcharged meet was their way of ridding , and it costed me a LOT of \$... I consider this one action alone punitive, and enough for you to see the hardship, overcharging and abuses.

the service I have now is amazing AND I have my landline!!!!

DON't allow ATT to dominate. Competition puts bulley ATT from harming me. Competition is good. Free Choice is a Right.
