**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. We moved out of silicon valley to afford a house. We were lucky to have a couple of options to choose from as we rely on our internet broadband for work and home. It is important for us to have reliability of the competition as we rely on our broadband internet for our technology within the home too. For security. Thank you. Please keep the competition available for the little companies too.
